OBJECTIVE

Highly motivated and detail-oriented Full Stack Developer, skilled in front-end and back-end technologies with deploymen. Committed to continuous learning, I stay up-to-date with the latest technology trends.

EXPERIENCE

Dono Consulting, IND— *Full stack developer*

SEP 2023 - PRESENT

- Developed and maintained two internal projects leveraging modern frameworks and tools, including Next.js, Redis, Nodejs, Celery, Tailwind CSS, and TypeScript, enhancing functionality and scalability.
- Conducted thorough testing and debugging to ensure reliability, performance, and high-quality code standards.
- Created comprehensive training materials and technical documentation for major clients, simplifying complex development processes and best practices.

PROJECTS

Edukatel — *Next.js, FastAPI, Solana blockchain, Nodejs*

A blockchain-based platform enhanced with generative AI, designed to connect students and teachers securely. Edukatel leverages blockchain to ensure data security and integrity, while generative AI personalizes learning interactions, enhancing user engagement and educational outcomes.

XcellentDraw — Next.Js, *Tailwind CSS, MongoDB, Nodejs*

XcellentDraw is a collaborative whiteboard tool inspired by Excalidraw, designed for brainstorming, wireframing, and visual planning. Built with Next.js, Tailwind CSS, Express, and MongoDB, it offers real-time collaboration, sketching tools, exporting/importing, user authentication, persistence, responsive design, customization, and sharing features, making it a versatile and user-friendly platform.

SKILLS

.Programming Languages: Typescript, Python

.Frontend Development:- React.js, Next.js, tailwind

.Backend Development:- FastApi, Express.js

.Database: MongoDB, Postgres

.VCS: Git

.Deployment: Azure, Docker

EDUCATION

Post Graduate in Mobile Solution Development, 86%

Conestoga College, Canada

Master in Computer Application, 8.6 GPA

SRM University, India

Bachelor in Computer Application, 80 %

SDSUV University, India

ACHIEVEMENTS

.Achieved distinction in Post graduate program

.Served GDSC as a mentor for web development during PG

.Created a mobile app to help international students

.Completed Hacktoberfest 2023 and 2024
